## FATAL SHOOTING AFFRAY.

Last night about 10 o'clock, at the corner of Lacour and Main streets, an altercation arose between officers Mike Holland and Chas. Hickey, which culminated in pistols being used on both sides. Both the combatants were very badly wounded. Hickey was taken into Mr. Lynch's saloon. At the time of this writing the physician, Dr. Bishop, said that Hickey could not live. Holland was taken to the lodging-house on Meadow Valley street formerly occupied by Mrs. Pyle. Holland is wounded in the chin and side. The ball was removed from the wound in the side, but not from that in the chin. Though his wounds are serious, the physicians say that they are not necessarily fatal. A gentleman who was present at the time of the difficulty favors us with the following statement of the affair: The men were quarreling in Lynch's saloon about the local article in the Review which appeared to reflect on Hickey. Holland drew his pistol. As he was about to leave the saloon it was discharged—our informant thinks accidentally. Deputy Sheriff Pattie, who was present, then attempted to stop the difficulty, but without effect. He jumped between them, placing his hand on Holland's pistol, but he broke away and both parties commenced firing. Holland stepped back somewhat, shooting as he did so. Hickey was also firing, standing on the sidewalk in front of the saloon. After some eight or nine shots were exchanged, Hickey staggered back into the saloon and fell upon the floor. Deputy Sheriff Pattie then went to Holland and took his pistol from him, when Holland exclaimed that he was dying. He was then taken to his room on Meadow Valley street. Hickey remained in the saloon, where Drs. Deed and Bishop examined his wounds and found that they were fatal. Hickey died about an hour after the shooting.

The following is the item referred to, appearing in the Review of yesterday afternoon:

**SHOOTING IN THE STREETS.**—Mr. Holland, the Fire Marshal, and who has been volunteering as a night watchman, informs us that there was a number of shots fired on Meadow Valley street this morning about one o'clock, and that it was almost a miracle that several people were not killed or wounded. He felt the need of assistance, but there was none at hand. There is a pressing want of a more thorough night watch, empowered to make arrests. At the rate shooting is indulged in, citizens will soon be compelled to take the matter in hand. It is a long time before the town can be incorporated, whereby the proper police regulations can be had; in the meantime the community must do the best thing. There is no need in the matter degenerating into a vigilance committee; there is little use of that anywhere. Some means can be adopted to 'bridge the bloody chasm' at comparatively small expense, if the people will only unite and put it in force.

**DISTRICT COURT** met yesterday at 10 a. m. John Wedge, a native of England, was admitted to citizenship. Trial Juries were empaneled until Monday, the 14th, inst. The civil and criminal calendars were called and cases set. The criminal cases are set for the following dates: State vs. W. Newman, Oct. 14; State vs. J. S. Pitzer, Oct. 21; State vs. W. E. Johnson, Oct. 21; State vs. Baker, continued for the term; State vs. Donohue, Oct. 14; State vs. C. Wayland, Oct. 15; State vs. C. Garnett, Oct. 15; State vs. L. P. Fuller, Oct. 14; State vs. J. C. Phillips, Oct. 15; State vs. Campbell, continued for the term; State vs. J. D. Kennedy, Oct. 16; State vs. Robert White, Oct. 21. The Court then adjourned to Wednesday, 9th inst., when naturalization cases will be heard and disposed of.

**POLICEMEN** for the arrest of offenders are becoming very necessary in Pioche. The town is daily increasing in size and number of inhabitants, and policemen are needed for the safety of persons and property, as well by day as night. Under the laws of the State of Nevada the County Commissioners have the power of appointing policemen for the protection of unincorporated towns and villages, and to provide the means for the payment of the persons so employed. We therefore call the attention of our County Commissioners to this matter, and ask them to appoint a reasonable number of persons as policemen. Such a proceeding will tend greatly towards the preservation of order and the prevention of crime.

**RESIGNED—APPOINTED.**—It will be seen by the report of the proceedings of the County Commissioners that Judge Knight has resigned the position of Justice of the Peace. During his official career the Judge made many friends, for he discharged the duties of his office in a diligent and impartial manner. T. A. Stoutenburgh was appointed to fill the vacancy, and will preside this morning. The newly appointed Justice has had abundant experience, and together with his general knowledge of law will no doubt fill the position with credit.

**NOT NECESSARY.**—We wish to again call the attention of the voters of this county to the fact that they are not required to pay their poll tax in order to register. It will be borne in mind that it costs nothing to register and that it is a duty which ought not to be neglected. Voters should not fail to qualify themselves to cast a vote upon the important issues before the country.

**RECEIVED.**—Yesterday Gen. Page received the first instalment of iron and spikes for the Pioche and Bullionville Railroad.

**PIOCHE CHAMPION.**—In the notice of this mine in Sunday's issue the depth of the shaft was stated at 81 feet instead of 181, the actual depth.

**REGISTERED.**—At 5 o'clock yesterday afternoon 803 names had been entered on the Register.

**BOARD OF COUNTY COMMISSIONERS** met yesterday. Present—Messrs. McCluskey and Glissan. A voting precinct was created at Rose Valley, and F. Loughrey appointed Registrar. A precinct was also established at Chief District and A. C. Yoncham appointed Registrar. The resignation of Thomas Wallace as Justice of the Peace at Bullionville was read and accepted; James Goodrich was appointed in his stead. C. Knight also offered his resignation as Justice of the Peace at Pioche, which was accepted and Mr. T. A. Stoutenburgh was appointed to fill the vacancy. The Board then adjourned to 10 o'clock this morning.

**YOM KIPUR OR DAY OF ATONEMENT.**—This is the most solemn fast observed by the Jews, and is always by them most strictly and religiously celebrated. This fast commences next Friday evening at sundown, and lasts until the same hour on Saturday evening. The places of business of the following firms will be closed during that time: Ph. Felsenthal, Jacobs & Sultan, Morris Cohn, Jonas Cohn, Folk & Levin. Those who may desire to procure goods from these houses on Saturday next, had better do so the day before.

**SHOOTING.**—Yesterday morning about 2 o'clock, a man named J. Lafleur, fired a pistol shot through the door of the dwelling house of Miss Kate St. Clair. The ball struck her on the leg wounding her slightly. The bullet was afterwards found in her bed, in which she was lying at the time of the shooting. The case will come up for examination before Justice Stoutenburgh this morning at 11 o'clock. Lafleur was arrested by officers Holland and Hickey.

**BOARD OF EQUALIZATION** adjourned yesterday sine die. They have raised various assessments, making a gross total of \$50,000 to be added to the assessment roll. The County Commissioners are entitled to credit for the rapid manner they have dispatched the business of the Board of Equalization.

**JOHN R. WILSON, Esq.,** an old friend and one of Pioche's best citizens, arrived by Hamilton stage yesterday from San Jose, Cal., where he has been on a visit. Glad to see him among us again.

**CORRECTION.**—By an error of the types the amount of bullion shipped for the week was stated as \$50,084.16. It should have been \$150,084.16.

## ROOFING!

THE UNDERSIGNED IS PREPARED TO furnish the people of Eastern Nevada with **Asbestos, Tin and Felt Roofing**

H. W. Jones' Asbestos is recommended by leading builders in the Eastern States to be superior to either tin or shingles, as it neither expands or contracts by heat or cold, and is practically fire and water-proof. It is 30 inches wide, and is easily applied by any one.

From Report Judges American Institute Exhibition of 1870:

H. W. Jones' Improved Roofing—"Is strong and durable, unaffected by the sun's heat; practically fireproof, and is really an article of the first order of merit." Signed, HORACE GREELEY, Pres't. GEO. PEYTON, Rec. Sec'y. SAM'L D. TILLMAN, Cor. Sec'y.

Report of Judges American Institute, 1871.

"These materials prove, by their general use and least of time, to answer their purposes fully." "The Best Article in the market." Signed, W. B. OGDEN, Pres't. JOHN W. CHAMBERS, Rec. Sec'y. SAM'L D. TILLMAN, Cor. Sec'y.

This roofing is particularly adapted to mills and furnaces, as it is acid proof, and does not sweat or rust.

Also Asbestos roof paint and cement.

Canvas roofs made perfectly water-tight, by Asbestos Cement.

Also, Asbestos roof paint, to be used on Asbestos, tin or shingles; and Asbestos Cement for bad leaks, rust or nail holes in tin before painting.

TIN ROOFING done up in neat bundles of 100 feet, in sheets 10 feet in length, sent with proper directions to any part of Eastern Nevada.

Also, common felt for sheds and other cheap, flat-roofed buildings.

Send exact measurement of building over all, and all roofs will be guaranteed to fit.
